# INTERIOR DESIGN BY ETHAN ALLEN

WORKING WITH AN INTERIOR DESIGNER IS FURNITURE BUYING AS IT SHOULD BE. IF YOU'RE FEELING A DESIRE FOR CHANGE, SCHEDULE A HOME CALL OR VISIT A DESIGN CENTER TO SEE WHAT OUR DESIGNERS CAN DO FOR YOU.

Our designers look and listen—to your ideas, your family's needs, and the things that inspire you—to get a sense of how you want your home to look and feel. They'll walk you through your options in the Design Center, visit your home to measure your space, and make recommendations that are just right for you.

They'll help you choose furniture and accents that fit your vision and lifestyle. Then, they'll create a 3D room plan you can virtually walk through, and you'll see the future of your home begin to take shape.

**No matter where, when, and how many times you meet, our designers' service is included with every project—an incredible value.** From a simple furniture purchase to an entire home refresh, they're here for you from idea to delivery day.

## A REAL-LIFE ETHAN ALLEN DESIGN PROJECT

If you're from the northern Midwest, New England, or Canada, you know how wearying a winter can be. Originally from Michigan, Kayla McCullough's clients wanted **a warmer place to spend the year's chilliest months.**

**Kayla McCullough**  
Phoenix, AZ  
EA Spirit Award winner:  
Best Living Room Space

**From award-winning living room to dining room and bedrooms, Kayla made the most of Ethan Allen's customization capabilities.**

"My clients wanted something you'd see in a magazine, something inspiring to others," she explained. "I suggested custom dual chair fabrics, custom drapery, custom Roman shades, custom artwork, and custom rugs—**with Ethan Allen, the sky's the limit.**"

What you see in a magazine or in a Design Center is only the beginning of what Ethan Allen can do for your home. **Schedule a complimentary home call with one of our interior designers to see what's possible.**

Kayla has a special passion for textiles—and giving classic pieces a modern spin. **"Taking an ottoman and upholstering it in a fun croc leather puts it on the edgy and modern side, giving a traditional shape an unexpected twist."**

# MADE FOR YOU & BUILT TO LAST

WE HEAR IT ALL THE TIME: "I GREW UP WITH ETHAN ALLEN,"  
"I INHERITED A PIECE OF ETHAN ALLEN I LOVE," AND "I CAN'T WAIT TO GIVE  
THIS PIECE TO MY CHILDREN." **ETHAN ALLEN FURNITURE HAS BEEN A PART  
OF FAMILIES' HOMES—AND LIVES—FOR 92 YEARS AND COUNTING.**

There's long-lasting value in a piece of furniture made by hand to a high standard of quality. That's why we still mill many of our own logs, kiln-dry our wood, and craft most of our furniture ourselves.

Years ago, we watched many furniture companies move their manufacturing overseas. We chose to stay close to home, where our company began—and where **we still craft about 75% of our furniture in our very own workshops**. It takes time to craft something valuable—no fast furniture here—and for almost a century, the results have been worth the wait.
